Sports without Borders Publicity Agreement

NAME:

Guardian's Name (If applicable) :

Publicity

You provided a considerable amount of private information about you and your organisation in your application. The SWB Board needed this information in order to properly assess your application.

This information is strictly confidential and was seen only by the members of the Selection Committee, which made its recommendations to the Board for a final decision. However, in order for us to properly address the needs of the community we serve and to develop our programmes further, it would be helpful if we could share your story with others. Not only is this another way of celebrating your success but it may also encourage other candidates to consider participating in this very important community initiative. It may also assist potential donors to better understand what we do.

We are therefore asking you to consider giving the Board of Sports Without Borders your permission to tell your story. The decision to do so or otherwise is entirely yours, in conjunction with your parents, guardians and/or sporting club. Please be assured that approval of your application was in no way conditional on you giving your permission. Whether or not you are prepared to share your story with others is not considered as part of the assessment of your application.

If you would like to discuss this further prior to making a final decision please let us know. If you do give your permission we will contact you to develop a profile suitable for publicity purposes.

The amount of Information in the profile is entirely up to you, and you do not have to use your real name or other information which would identify you or your family.

Once you are happy with the profile we will ask you to sign an agreement giving Sports Without Borders permission to use all or any part of the profile for publicity purposes, as we consider appropriate.

The information may be used in newspaper and magazine articles, on the Sports Without Borders web site, in interviews on radio and television, photographs and presentations at meetings and conferences.

You may withdraw your permission at any time and if and when you do so, we will destroy the profile so that it cannot be used again.

Yours sincerely,

Executive Officer,
